**St. Paul's is looking for someone who is
interested in a side job, here at St. Paul's**

We have several maintenance items that need addressing.

Organizing, painting, general repair. There are many who donate their time fixing things around the church, and we thank you for that. This position is not intended to replace the ministry of these individuals. This is meant to address the medium sized jobs that really aren't easy to hire out but that require a sizable effort in the short term to complete. Pay is \$15 per hour and the work hours are extremely flexible. *If interested please contact an Elder, Pastor, or call the office.*
